

## Grant Research Program 2024 Guidelines for Requesting Fund

### برنامج دعم البحوث العلمية 2024 إرشادات طلب التمويل

The CNRS-L fund for each research project should range between 1 to 2 billion Lebanese Pounds per year. The university is required to match the funding provided by the CNRS-L for the project.

Table 1: Requested contribution from the CNRS-L and universities

Budget distribution (Co-funded between the CNRS-L and the university) (Max. in % of the total allocated budget)		
Description	CNRS-L	University/Institution <sup>(1)(2)</sup>
Temporary manpower	30 - 40%	To be filled according to university rules
Expenses and field work, polls, accessories and data processing etc.	40 - 50 %	To be filled according to university rules
Incentives for the project team	20 - 30 %	To be filled according to university rules

(1) Please provide the table including the budget distribution of the financial support from the institution of affiliation.

(2) Please insert any additional items not mentioned in the table.

- For the temporary manpower, only research assistants and M.Sc. students are eligible. Ph.D. students are not eligible for additional indemnities from the present project.
- Computer hardware and software are not considered as eligible.
- The researcher cannot acquire with funds allocated by the CNRS materials for personal use (mobile phone, laptop, etc.) and their accessories, which should be provided by the host institution of the project.
- Overhead costs are not eligible.
- Regarding incentives for the project team, the maximum allowable amount per team member is 150 million Lebanese pounds.
- Small equipment are eligible if its cost remains under 50 million Lebanese pounds.
- Participation or registration fees in international conferences are not allowed.
